

Cheney Avenue, N.E.

2821

2825

3375 Cheney N.E. North Park School. The present building was built in 1924-25. The old cornerstone bears the date of 1908, along with the names of those involved in the construction of the original school: Thomas J. Haynes, moderator; Sumner M. Wells, director; and Marsh Byers, Henry A. Hills, and Huntley Russell, building committee. The school was renovated and enlarged in 1953. The school's capacity is 360, and enrollment in the 2009-10 school year was 302.
