

**Commerce Avenue, N.W.**

This block of Commerce Avenue between Fulton and Monroe was completely eliminated when the new Herpolsheimer store was built in 1949-50.

The Gilbert Building, which dominated the west side of Commerce north of Louis, was built in 1892. It burned on April 3, 1905; was completely rebuilt; and burned again on May 22, 1909.
