**231 Goodrich S.W.** For many years in the late 1800's and early 1900's, this humble 3-bedroom frame dwelling was the home of Alexander and Mary

Miller and their family. Alex was the lieutenant (1890-1902) and later the captain (1902-15) of the Grand Rapids Fire Department's Engine Co. No. 6 at the nearby fire station at Grandville & Ellsworth. The house was built on the east 25' of Lot 13, Block 14 of the Ellsworth addition; the depth of the lot was 130'. (Photo: GRPL 287 [G.R. Real Estate Board], March 9, 1981, No. 87133.)
